

1021 beauty products... I TRIED, TESTED & TAGGED!

Do beauty stores, advertisements and samples leave you confused? And so you end up armed with a basketful of the wrong products and looking unlike anything human? We feel your pain. So we got 10 experts to sample beauty products you're likely to make acquaintance with and give you their first-hand take on what works best. Also, follow our ultimate beauty commandments, and things like bad hair days and blotchy skin will be history. Photography: Prasad Naik
